**We're in the Final Stretch of Meeting our
New Property Purchase Campaign Goal!**

Crisis House is excited to announce that we have **entered escrow** for a new home for our next 50 years of service!

Thanks to **YOU** and our generous supporters, Crisis House's New Property Purchase Campaign is well on its way toward reaching our goal of **\$250,000**, doubled by **David C. Copley Foundation's** "dollar-for dollar" match to **\$500,000!**

Crisis House is both humbled by and grateful for the continued support from individuals, local organizations, service clubs, and foundations in our community!

*Thank you, **Friends of Crisis House**, for believing in the legacy and service of Crisis House for our San Diego community!*

National Domestic Violence Awareness Month!

Escape Abuse & Gain Empowerment

Every day 3 women are killed by an intimate partner.

Let's change this statistic **together**.

This Domestic Violence Awareness Month, Crisis House is inviting everyone to [speak up](#). To spark change, we have to talk openly and acknowledge how domestic violence abuse affects our San Diego community, our families, and our lives.

For resources concerning either receiving personal support or choosing to support others experiencing domestic violence abuse, please visit our [website!](#)

We have to be brave. We have to stop domestic violence together!

“

*I'm **STRONGER** because my family is now at peace and safe!"*

October is Domestic Violence Awareness Month.

Break the Silence. End the Violence!

Holiday Adopt-A-Family is Here!

As we enter this **Holiday Season**, most of us look forward to a joyful time with family and friends, but for many households that are less fortunate that we serve here at Crisis House, the holidays are some of the most difficult times of the year.

With your generosity, we can be a beacon of hope for the families we serve. **Last year, our donors created holiday cheer for 137 households and 364 children!**

Hurry! Crisis House closes applications for Adopt-A-Family sponsors on November 16th this year! As many of you know, Crisis House is moving to a new location before the end of the year! We are changing to a gift-card Holiday this year, instead of toy-exchange due to our pending move. We are hoping to provide families with gift-cards ranging from \$75 to \$100 per family member for gifts and a special meal!

Please contact **La Sheila Williams, Adopt-A-Family Coordinator** at the following number **(619) 219-2244**, regarding inquiries about your participation in this year's Holiday Program.
